PUBLICATION LIST

ANDREW J. BLUMBERG

PUBLICATIONS

Listed publications are ordered chronologically (starting with the most recent). There are three sections: pure mathematics, topological data analysis and genomics, and computer science.

Pure mathematics.

(22) Matthew Ando, Andrew J. Blumberg, David J. Gepner, Michael J. Hopkins, and Charles Rezk. Units of ring spectra and Thom spectra. Preprint (split into two papers below for submission), arxiv:0810.4535 [math.AT].

(29) Andrew J. Blumberg. $THH$ of Thom spectra which are $E_\infty$ ring spectra. *Journal of Topology* 3 (2010), 535-560.

Topological data analysis and genomics.

Computer science.
